

CO@Work 2020

Data Experiment

CO@Work 2020

September 14, 2020

Online

<http://co-at-work.zib.de>

- ▶ For the first time CO@Work is an online-only event.
- ▶ This makes it difficult to perform some of the traditional social activities, like the group photo, or getting to know each other.
- ▶ Also, we need some information from you to optimize the composition of learning groups.
- ▶ Therefore, we ask you to provide some data as defined on the following pages.
- ▶ The process should be automatic. Therefore it is very important to follow the instructions carefully.
- ▶ We kindly ask everyone participating in CO@Work to participate here.
(For those who take the exam it is mandatory.)

We ask everybody to provide the following information:

1. A text file with some information about you (see next slide).
2. A picture of yourself (or an avatar if you don't want your picture online).
3. A picture of the place where you are.

We will assemble the pictures to a virtual group photo and a slide show and use the provided information to optimize the composition of the exercise groups.

The 1st line of the text file is **your** name, e-mail, and country

Please use the e-mail address you used for registration at CO@Work

The 2nd line should contain a **list of all the languages you speak**. Use upper case letters if you are fluent in the language and lower case if you only have limited knowledge.

The 3rd line should contain a motto/**aphorism characterizing you** to put under your picture.

The 4th line should contain **EXACTLY the words**: “I herewith grant the organizers the right to use and share the attached pictures for purposes related to CO@Work“. Without the quotes.

The file with your picture should be

in **JPEG format** (ISO 10918-1) and have a size of **512x512 pixels**.

The file with your place should be

in **JPEG format** (ISO 10918-1) and have a size of **1920x1080 pixels**.

- ▶ UTF-8 coded Unicode text with only a LF (0x0A) as line separator.
- ▶ Fields are separated by a single semicolon ; (0x3B)
- ▶ CountryCode is an ISO 3166-1 Alpha-2 code
- ▶ LanguageCode is an ISO 639-1 code

- ▶ Line 1: **YourLastName;YourFirstName;Email-Address;CountryCode**
e.g. `Koch;Thorsten;koch@zib.de;DE`
- ▶ Line 2: **LanguageCode;LanguageCode;...**
e.g. `DE;EN;la`
- ▶ Line 3: **Motto/Aphorism**
e.g. `Work hard, data right.`
- ▶ Line 4: **Permit**
e.g. `I herewith grant the organizers the right to use and share
the attached pictures for purposes related to CO@Work`

Please submit the file as follows:

- ▶ The name of the text file should be *LastnameFirstname.txt*
- ▶ The name of the file with your picture should be *LastnameFirstname.jpg*
- ▶ The name of the file with the picture of your place should be *LastnameFirstname-place.jpg*
- ▶ All 3 files should be **attached** to an email
- ▶ Send the email to coaw-data@zib.de
- ▶ The subject of the email should be *CO@Work: Data for LastnameFirstname*
- ▶ *Please send the files as soon as possible.*

Thank you very much
